

## COVID- 19 SAFETY PROCEDURES

- Upon arrival parents and swimmers will now enter up the stairs on the left - where they will find a screening station. Our screener will take temperatures and spray sanitizer. Parents will need to fill in a checklist and sign. **THIS WAY WE ALSO ACHIEVE ONE WAY TRAFFIC**
- A new student form and terms and conditions need to be handed in with your first lesson.
- No person with a temperature of 37.5 or higher, or presenting with any symptoms related to COVID-19 will be permitted to enter the premises
- Instructors will work with transparent face shields at all times and will be screened daily before entering the pool area.
- We will have sanitizing stations at the gate, at the screening station, in the dressing room area as well as at the exit. Parents and students are to make use of these at all times.
- Upon arrival signs/stickers will indicate to parents and swimmers where to stand - enforcing a 1.5m distance
- Our chairs will be placed 1.5m apart at poolside and in the waiting area. **UNDER NO CIRCUMSTANCES MAY CHAIRS BE MOVED**
- All parents are required to wear masks upon entering the swim school and keep it on for the duration that they are here. Children over the age of 3 are also encouraged to wear a mask or shield until their lesson commences.
- The entire waiting area and poolside will be cleaned with Aqua-Ster every day to ensure optimal hygiene. There will be intermittent cleaning and checks done throughout the teaching day as well.

## COVID- 19 SAFETY PROCEDURES

- Only one parent/guardian will be permitted to accompany swimmers.
- We ask that swimmers arrive dressed for their lesson
- Arrival of maximum 5 minutes prior to the start of a lesson is allowed as we need to manage the amount of people in the pool area.
- Parents and swimmers are urged to get dressed immediately after their lesson and exit the swim school promptly.
- As far as possible we ask that siblings stay at home - if it is not possible they are welcome to come along but they will not be permitted to walk around etc.
- Parents and swimmers in the waiting area have to stay there until asked to come down for their lesson. Under no circumstances may children be left unattended or be allowed to roam around the swim school.
- Toys and equipment will be kept separate (in a group lesson each swimmer will have their own basket). **NO SHARING OF EQUIPMENT.** Equipment will be disinfected daily after use.
